

## Gratitude Prayer

All I can say is:

Thank you, God. I thank You so much.

I thank You for everything.

I thank You for all that I Am and for all the opportunities that are being provided for me at this time.

I thank You for opening doors in front of me.

I thank You for the All-That-Is that is connecting us all, all the time.

I thank You that I am open to receiving new ideas when You bring them to me,

to receiving new opportunities as they arrive,

and to taking action on them to the fullest of my abilities.

I thank You that I can see the Light of Your Presence in everything around me, all that I experience, and all that I dream of for this lifetime.

I see the Light of Your Presence in all that I do. I follow Your Inner Guidance in directing me in my daily activities, thoughts, and outward projections of Love from the Heart.

I see You in All Things.

Dear God, I thank You.

I thank You for today and for each and every individual who crosses my path today.

I thank You for tomorrow, the day after, and every single day after that until the end of my days, because I know that each day is a gift and a Blessing from You.

Every intuition and blessed thought that You bring to me is a blessing from You, and I thank You for All.

Amen.
